

Custom Cakes

Jacksonville Originals!

We use buttercream, fondant and gumpaste to hand-sculpt and custom color a unique cake for any occasion. Prices vary according to the time and materials required. We must ask for a deposit of 50% at the time your custom order is placed.

Sculpted, 3-Dimensional Cakes:

Our team of sugar artists can design and sculpt an entire cake into any shape such as a gator or boat or fish. Frosted and entirely edible, these make show-stopping centerpieces. From concept to completion, most of these cakes require the attention of 2 to 3 decorators. They use specialized tools and spend many hours to complete a cake. The results are amazing. Prices start at \$175

Fondant & Gumpaste 3-D Cake Toppers

3-D figures and bows are hand-sculpted and placed on top of your cake. Fondant figures are edible; gumpaste figures dry hard and may be kept as mementos or for future use. Prices start at \$20

Buttercream & Fondant 2-Dimensional Designs

Designs such as company logos or figures can be piped directly onto your cake using custom colored frosting or we can hand-cut them from rolled fondant. Prices start at \$20. Sorry, we cannot copy copyrighted characters and designs without permission.

Custom Cut & Decorated Cookies

Sugar • Gingerbread • Shortbread

Prices start at \$3.00 per cookie with a minimum order of 24 cookies

Weddings

- ♦ Wedding Cakes
- ♦ Bridal Showers
- ♦ Groom's Cakes
- ♦ Charm Cakes

Taste and design are the two most important elements of your wedding cake. The Cake Shop team will tailor a centerpiece for your special day that tastes as good as it looks. Committed to the art of baking, we create all cakes with the finest ingredients: real butter, fresh eggs, imported chocolates. More than half our clients choose us because they have tasted our cake at other weddings or parties!

Consultations to design your cake are by appointment. We have set aside Tuesdays and Wednesdays from 8:00 a.m. until 5:00 p.m. but with enough notice, we may be able to schedule other days to meet with you. Plan to spend about an hour with us and bring any ideas you have. We will bake a small cake for you to sample with us, so let us know if you have a particular flavor in mind.

Our custom-made cakes are priced by design, so we are unable to quote a price until we have discussed your choices.

Our service includes delivery, set-up and the use of one of our designer cake pedestals. Our kitchen is fully inspected and insured so you may be assured that we are qualified to work in any reception venue you select.

A \$100 non-refundable deposit will secure your wedding date on our calendar. This will be applied to the price of your cake once we arrive at your final design, flavor and size.

Call us today at (904)-306-0303 for a consultation and sampling appointment.
